

# Technical Bulletin 164

## I-Series Boiler Warranty Update

PURPOSE: To announce a warranty update to I-Series Condensing Boiler Parts and Components.

### PRODUCT INFORMATION

- Applicable Product: I-Series Condensing Boiler
- Applicable Models: i060S, i090S, i120S, i150S, i060C, i090C, i120C

### DETAILS

Effective 8/27/2019, the warranty period of coverage for I-Series Boiler parts and components will change from a 2-year to 5-year term. This change retroactively applies to all I-Series Boilers already purchased. The current boiler technical documentation is being updated to reflect this warranty change. All other warranty terms and conditions stated in the “I-Series Boiler Installation and Operation Manual” will apply.

For complete warranty information, please see the “I-Series Boiler Installation and Operation Manual” or visit our website at [rinnai.us/warranty](http://rinnai.us/warranty).

Item	Period of Coverage (from date of purchase)	
	Residential Applications	Commercial Applications
Heat Exchanger	12 Years	5 Years
All Other Parts and Components <sup>[1]</sup>	5 Years	5 Years ← New
Reasonable Labor	1 Year	1 Year

<sup>[1]</sup> Parts replaced during recommended maintenance procedures are not covered by this Limited Warranty.
